Interested to use GAIA Caravan ?

We've been challenging spherical projection set ups globally since 2006 with our company M Global Japan.

GAIA Caravan is a unique platform designed & customized with YOU & YOUR CLIENT specification as the top priority, based on your creative ideas, choice of location etc... and the tools we provide for IMPACT VISUAL COMMUNICATION.

GAIA Caravan is available anywhere for beautiful location shooting
with a focus for outdoors but not limited to!

No restriction on specific industries or products but with existing or interest in CSR activities a plus.

We receive your contents for projection set ups and do the rest.

We shoot with drone, go pro and other equipment according to your specification.

Your own shooting team can be part of the adventure anytime.

It is also for Artists, Media, individuals, organizations... to deliver their messages in a unique way.

GAIA Caravan supports fundraising projects in general and participate in local events along the way.
